Subject: Concourse B14 Delivery Area Relocating to B13

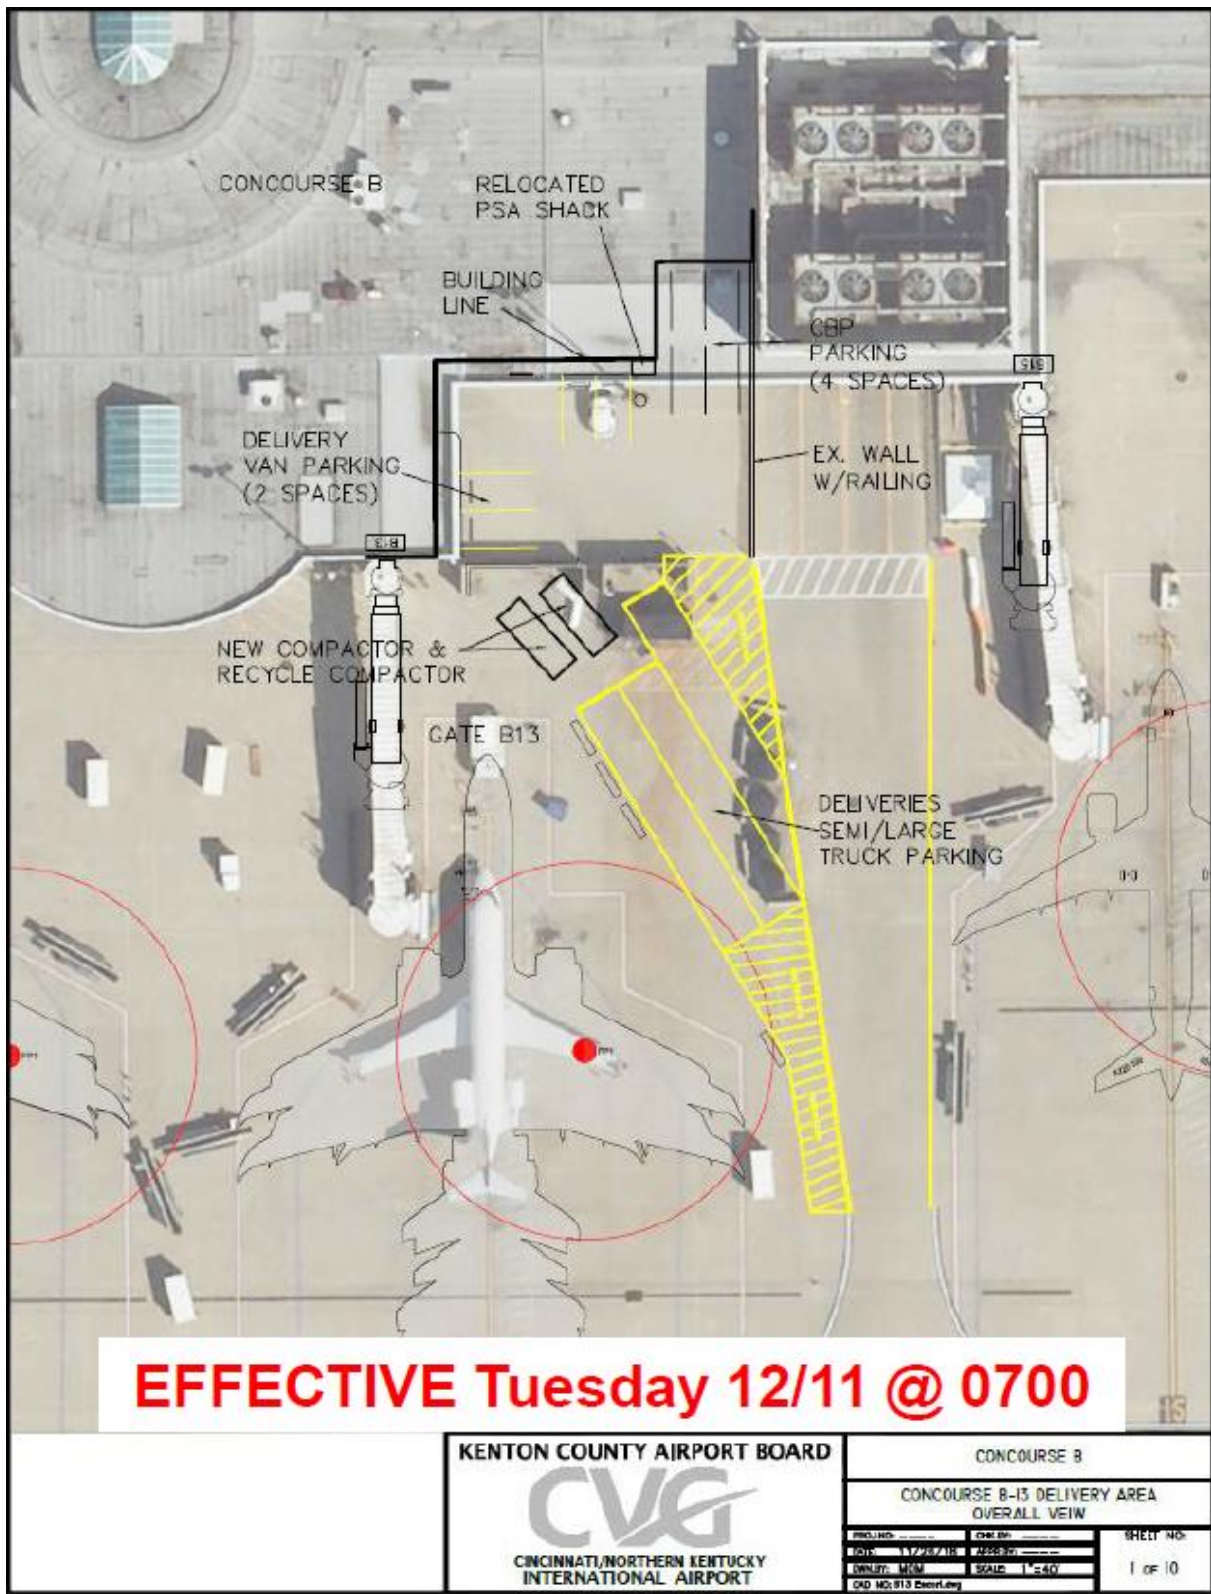

Date: December 7, 2018

Effective Tuesday, December 11, 2018

Concourse B delivery activity relocated to B13

In an effort to allow for aircraft activity at gate B14, Concourse B14 delivery area will be relocated to the B13 area. B13 will remain open and operational as delivery activity will not encroach the aircraft envelope. PSA escort shack will also be relocated, while unescorted parking will remain near B14. See diagrams below detailing the relocation and the new route for deliveries.
