Subject: South Airfield Drive Tunnel Maintenance

Date: October 4, 2016

Beginning Monday morning, October 17th, KCAB personnel will begin maintenance on the Honeywell life safety system located in the South Airfield tunnel. The tunnel will remain open during the project. Drivers should be alert to safety lane restrictions between the work hours of 7am – 330pm Monday through Friday. The north portion of the tunnel will undergo maintenance the first week and the south portion the week after. All work is anticipated to be completed by Friday, October 28th.

Temporary electronic signage along with normal maintenance signage will be in place during work hours to alert all drivers. Please be vigilant to workers during this maintenance event.
