EFFECTIVE IMMEDIATELY

The Concourse B smoking area and break room are now open. The smoking area is located near the FIS area in Concourse B. Badge holders can access this area by taking the escalator near the Delta Sky Club down to the ramp level. From there, the door to the break room is on the right. Inside the break room, you can access the smoking area by pushing the bottom on the right side of the sliding doors to exit into the smoking area. Please do not smoke in the break room. Smoking urns are in the smoking area. Note that this area is always under surveillance.
