Subject: A Concourse Roof Equipment Removal

Date: September 4, 2014

Contractors will be removing 3 large cooling towers from the roof of A Concourse in conjunction with the roof replacement project. They will be utilizing a large crane and multiple semi-trucks to assist with the removal. Subsequently gates A13 and A15 will be unavailable for use from 8:00 A.M. – 1:00 P.M. Please use caution when working near this area during this time.
