

## Operations Memorandum

**To:** CVG Airlines and Tenants

**From:** Brian Cobb, VP - Customer Services

**Subject:** Temporary Lane Closures on Donaldson Road

**Date:** December 16, 2015

Work crews will begin to install a new right turn lane into the Dermody Development at the intersection of Donaldson Road and South Airfield Road. The widening of the road including adding a shoulder will begin tomorrow Thursday, December 17<sup>th</sup> lasting through the end of the year and may impact traffic flow on Donaldson Road at times. Expect temporary lane closures to the westbound lane through the intersection. Traffic will be directed to the left turn lane through the intersection (see map below) during these closures. Temporary merge signs and flaggers will be used to help with traffic flow. Please use extreme caution in this area and allow extra time for possible delays when heading west on Donaldson Road and turning onto South Airfield Road.
