**BEGINNING WEDNESDAY, JULY 15<sup>th</sup> 2020**  
**EMPLOYEE LOT RE-OPENING**

As we continue to see a steady increase in passenger volumes, the Employee Lot is scheduled to re-open July 15<sup>th</sup> for employee parking.

- Employee shuttles will return to service.
- Effective July 15<sup>th</sup>, the matrix badge reader at the **entrance** to the garage plaza will be removed.
- Understanding that some vehicles cannot be moved by that time, the matrix badge reader at the **exit** to the garage plaza will remain until July 19<sup>th</sup>.
- On July 20<sup>th</sup>, all access to the garage by use of the matrix badge readers will be removed.
- If an employee pulls a ticket to the garage after July 14<sup>th</sup>, they will be subject to the daily posted garage rate of \$10/day.

Changes have been made to the employee shuttles to ensure social distancing and safety while on-board. Dividers have been installed between seats and hand sanitizer units are available for use.
