

CVG Operations Memorandum

To: Airlines and Cargo Operators

From: Brian Cobb, VP - Customer Services

Subject: Air Canada Ticketing Positions Relocating

Date: July 28, 2015

The Air Canada ticketing positions will be relocating after 11:00 am this morning. The positions will be available for this afternoon's departure and will be located between United Airlines and the oversize belt entry (see depiction below). The monitors located behind the positions will display the Air Canada brand logo. Sunwing charter will shift further west.

Please be offer directional assistance to our guests that may need help in finding the relocated ticketing positions.
