

CVG Operations Memorandum

To: CVG Airlines and Airport Tenants

From: Brian Cobb, VP - Customer Experience

Subject: Wendell H. Ford Blvd. Rehabilitation

Date: September 30, 2014

Construction is scheduled to begin on Wendell H. Ford Blvd. Monday, October 6 and last an estimated three weeks, weather permitting. Please be alert for construction personnel, equipment, and associated traffic safety measures. The following changes will be effective after construction is complete:

- Intersection of Wendell H. Ford Blvd. and S. Airfield Drive
 - o Add four-way stop
 - o Widen Wendell H. Ford Blvd. berms easing semi-truck traffic turns on/off S. Airfield Drive
- Intersection of Tower Drive and S. Airfield Drive
 - o Removal of stops signs for through traffic on S. Airfield Drive; through traffic does not stop
 - o Tower Drive stop signs will remain in place; drivers must be clear cross-traffic before proceeding onto S. Airfield Drive.
