**RIDE SHARE PASSENGER PICK-UP RELOCATED TO COMMERCIAL VEHICLE LOT**

Ride Share pick-up location is relocating from the west side Baggage Claim curb to the north side of the Commercial Vehicle (CV) lot on Wednesday, August 29th, 2018. Staging for Ride Share vehicles will remain at the TNC Lot on Barclay. Once a Ride Share driver has been paired with a passenger for a trip, they can proceed to the CV lot for pick-up. Upon arrival to the CV lot, drivers will park in the parking lot as their passenger will exit door 10 of the Ground Transportation Center and meet their driver in the lot. **Drivers do not park or wait at the curb of the Ground Transportation Center.** All indoor and outdoor signage will be updated. See map below detailing the proper location for passenger pick-up.
