Subject: Concourse A Bag Make-Up Door Changes

Date: January 13, 2016

The entrance and exit doorways to the Concourse A bag make-up area will be changing effective immediately. In an effort to regulate the temperature in this area, some doorways have been closed and will remain closed throughout the winter months to both the entrance and exit. The map depiction and pictures below indicate the doorways that are closed and also illustrate the doorways that operators are permitted to use. Operators are reminded to use extreme caution when traveling in this area and to always follow the marked/painted directional signage.
