Subject: Floor Repairs in Passenger Tunnel

Date: November 11, 2014

A KCAB contractor has initiated repairs to the terrazzo tile in the passenger tunnel between the Terminal and Concourses. The following areas are under repair between Tuesday, November 11 – 18:

- Concourse A; section between the escalators and near the emergency exit doors
- Concourse B; section along the expansion joint near the flight information displays

Work hours are limited between 10:00 pm and 4:30 am the following day. The tunnel will remain open to passengers and personnel at all times. During day-time hours, the repair work will be covered with low-profile protective material and caution tape, allowing continuous accessibility for people and wheelchair flow.
