Subject: CONRAC T2 Garage Demo and Traffic Signals on Donaldson

Date: September 7, 2018

Effective September 10, 2018 – October 18, 2018

CONRAC T2 GARAGE DEMO

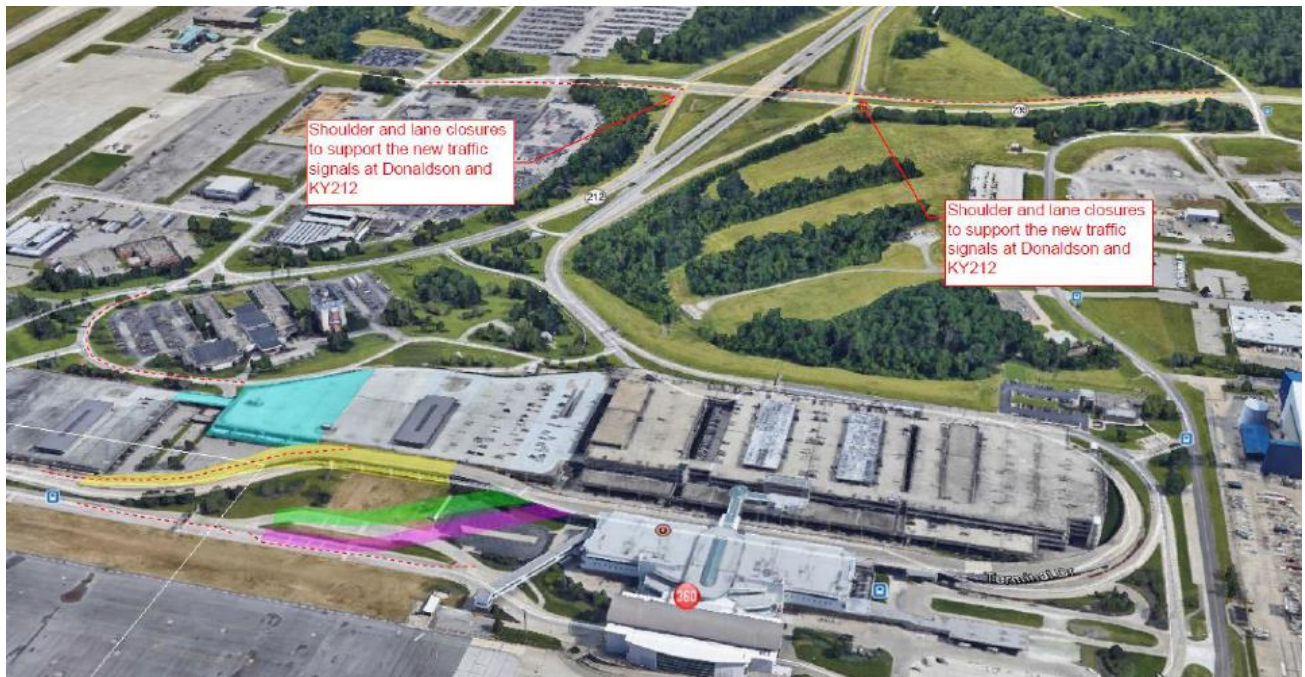

KCAB's contractor, Messer Construction, will begin partial demolition of T2 Garage on September 10th, 2018. **As a safety buffer from debris fragments, the ramp up to departures will be reduced to 1 lane during demo hours and pulled back to shoulder nightly (duration 2 weeks).** Hotel road will be crossed by trucks hauling demo out. Dust mitigation will be applied via water spray. A demo engineer will be on site for the duration of this phase.

Effective Immediately – December 31, 2018

ADDITION OF TRAFFIC SIGNALS ON DONALDSON ROAD

KCAB's contractor, Messer Construction, will be installing traffic signals on Donaldson Road at ramps to KY212. Signals will improve safety and flow of traffic for the new return to terminal. Shoulder and lane closures will be applied as needed through the duration of this project.

For emergencies call 859-767-3123 or 911.
