

Operations Memorandum

To: CVG Airlines and Tenants

Subject: Baggage Handling System Operating Hours Change

Date: 10/26/2022

Effective Saturday, November 5th, 2022

Beginning Saturday, November 5th, 2022, all ticket counter baggage induction lines will remain operational until 8:45 PM. The additional 45 minutes is being added to accommodate increased scheduled flight activity. B-Bags will remain operational until all bags inducted up to the 8:45 PM cut off are cleared.

This change will remain in place through the end of the year. Staffing, flight schedules, impacts to carrier operations and bag system maintenance will be evaluated over the next few weeks to determine if this change is necessary and sustainable into the New Year.
