Subject: Airfield Change Near CONRAC Building

Date: 8/23/2021

EFFECTIVE IMMEDIATELY

The Airport Operations Area near the new CONRAC site has been restored on August 23rd, 2021.

With this, APRON 2 has now been returned to the AOA, resulting in 8 RON Parking Spaces in the area. Additionally, the VSR has been relocated further north and has undergone various intersection changes. Please be sure to exercise caution in the area. See map below for additional details:
