

Cincinnati/Northern Kentucky International Airport

Operations Memorandum

To: CVG Airport Airlines, Tenants and Concessionaires

From: Brian Cobb, Director - Customer Services

Subject: Front Entrance Closure for Maintenance

Date: September 18, 2013

Beginning this evening, September 18th, the front entrance to the baggage claim level of the Terminal will be closed for maintenance. The concrete sidewalk area just outside the main doors will be repaired. Stanchions and signage will be in place outside, as well as inside, directing customers to use the entrances on either side of the main doors until the new concrete is ready for customer traffic.
