

Operations Memorandum

To: CVG Airlines and Tenants

From: Brian Cobb, VP - Customer Experience

Subject: Apron 2 Remote Parking Revised Marking Plan

Date: March 27, 2017

Effective **Monday, March 27:**

TAXI LINE MODIFICATIONS

Modifications to ramp striping have been made to better assist with aircraft taxi around Apron 2 Remote Parking. The lead-in lines connecting Taxilane Ramp 2 North to Apron 2 have been removed. Based on the work of several airport community members during a Safety Risk Assessment (SRA) exercise, it is anticipated aircraft crews will have improved visual guidance when taxiing to Concourse A Gates by remaining on the continuous Taxilane route. See previous and revised marking plan below.
