

CVG Operations Memorandum

To: Airlines and Tenants

From: Brian Cobb, VP - Customer Services

Subject: US Airways Gate Relocation

Date: July 7, 2015

As American Airlines and US Airways continue to consolidate operations, US Airways will be relocating from A17 to A8 after hours this evening. Gate A8 will open Wednesday morning, July 8, assigned to US Airways operations (handled by Envoy). The gate monitor located behind the podium will display the US Airways brand logo.

Envoy ground operations will continue to use Gates A6-A17 for overnight parking in addition to designated remote options. Trego Dugan ground operations will continue to use A18-A22 for overnight parking in addition to designated remote options.

Please offer directional assistance to our guests that may need help in finding the relocated ticketing positions.

The depiction below indicates both leased and per-turn assignments.
