Subject: Concourse A Taxilane and VSR Relocation

Date: April 5, 2017

Effective **Monday, April 10:**

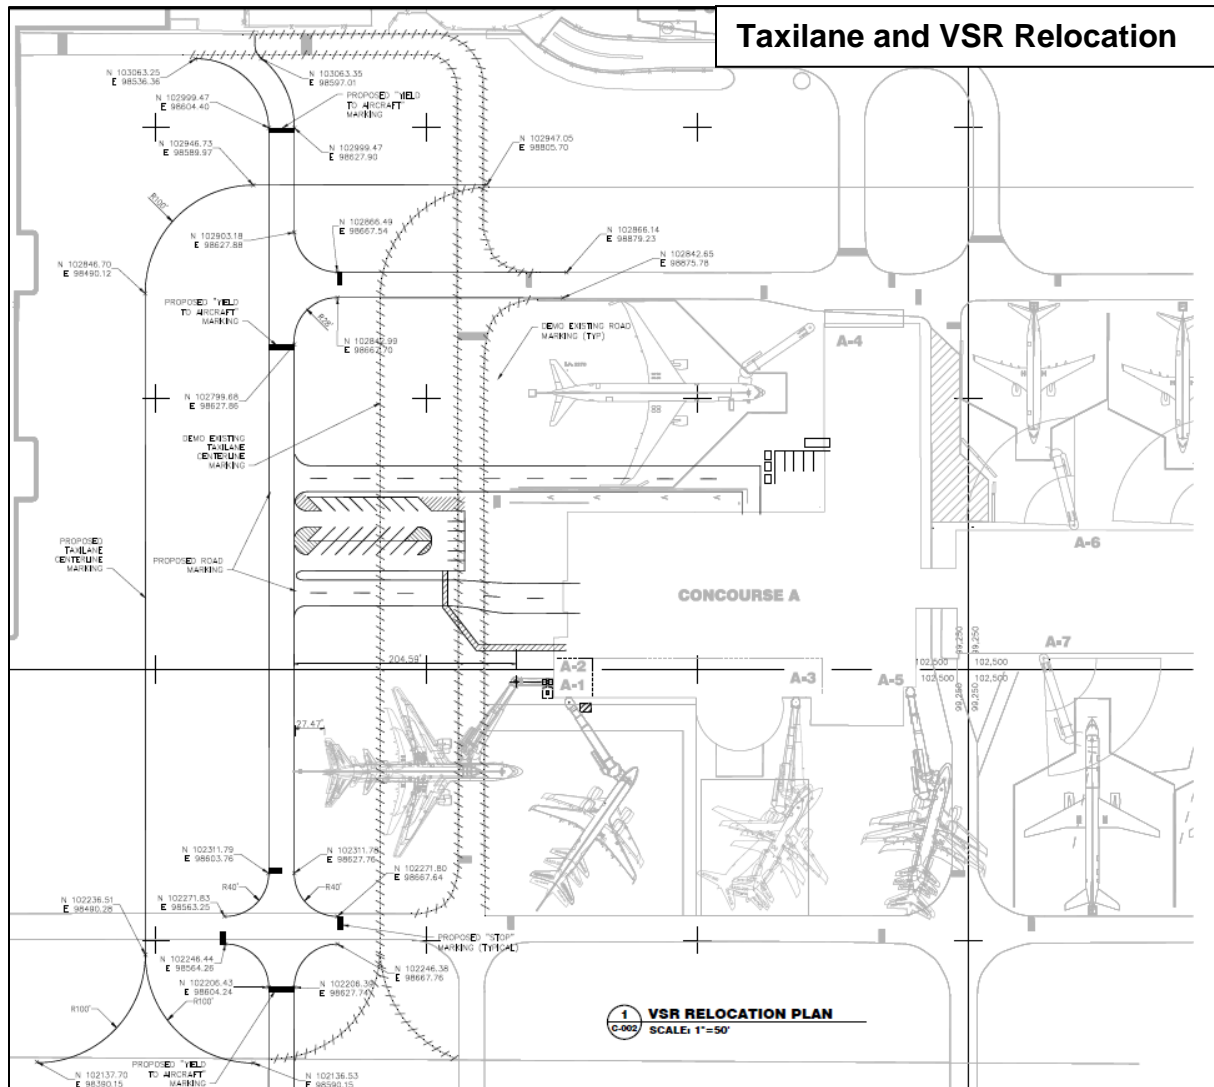

TAXILANE CLOSURE

Ramp 1 will be closed from west of Gate A6 to Ramp 2N. This area will be barricaded. This closure is anticipated to be in effect between 8:00 am through 5:00 pm. Slight barricade adjustments between Gates A4 and A6 will be made to accommodate OneJet operations. Appropriate NOTAMS will be issued for closure and reopening. The Vehicle Service Road (VSR) will remain open throughout the event.

TAXILANE and VSR RELOCATION

The temporary closure will be supporting the relocation of the associated Taxilane and Vehicle Service Road (VSR). The relocation is necessary to accommodate new Gates A1 and A2. The illustration below provides an overview of the changes. The new Taxilane and VSR are anticipated to be open late Monday afternoon.

New, bi-directional VSRs in/out of the Concourse A bagroom and a Concourse A vehicle parking area will be painted at a later date.
