Effective Monday, February 26

Baggage Carousel Re-Numbering

KCAB's contractor will be changing the numbering of the baggage claim carousels Monday morning, February 26th between 6:00 A.M. – 9:00 A.M. This necessary update is part of the Terminal Modernization project that has been ongoing since last year. Also, the new Baggage Information Displays (BIDS) will be activated and the old monitors will be turned off and removed at a later date. The new numbering convention will be Claims 1 through 4 with Claim 1 remaining on the west end by the oversized baggage retrieval area. The new Claim 4 is on the east end by Door 10 (see map below).

Please inform your agents who update the Flight Information Displays (FIDS) of the change for proper entry moving forward. As a reminder each arriving flight must be assigned a claim number for the flight to be displayed on the BIDS. If agents have any issues entering the claim numbers please contact KCAB IT Helpdesk at 859-767-4565. Thank you for your assistance and coordination in making this an easy transition for our mutual customers.
