To: CVG Airlines and Tenants

From: Brian Cobb, VP - Customer Experience

Subject: Terminal Dock Temporary Closure

Date: November 1, 2016

KCAB staff will be completing the final improvements to the dock area. There will be a temporary dock closure Wednesday, November 2 to allow staff to finalize revised delivery parking and staging lanes. Weather permitting, the area will reopen by November 3 or sooner. All personnel operating in this area should be alert for barricades and construction personnel.

See the area depiction below for the new parking assignments for delivery agents only. Upon dock reopening, all airline and tenant deliveries to the Terminal must occur at the dock location. Like previous curb front deliveries, Airport PD must be notified for vehicle inspection. Curb front deliveries will no longer be permitted.
