

## Operations Memorandum

---

**To:** CVG Airlines and Tenants

**From:** Brian Cobb, VP - Customer Services

**Subject:** Remote Parking Improvements

**Date:** October 28, 2014

KCAB has completed improvements to the remote parking area. These include:

- Painted lead-in lines and t-boxes for nose gear positioning
- New numbering for parking assignments
- Modified service road to allow vehicles to remain clear of parked aircraft

Updated guidelines to illustrate the changes above, in addition to restrictions related to adjacent deice pads and no-taxi area, are included in the email distribution.

### CVG Remote Parking as of October 28, 2014

- Kenton County Airport Board must be notified and approve an assignment prior to aircraft positioning
  - o Brian Cobb
    - 8596280411
    - [bcobb@cvgairport.com](mailto:bcobb@cvgairport.com)
  - o Emergency Alternate
    - KCAB PD
    - 8597677777
- Remote Parking Pads are West of Terminal 1 and at Terminal 1 as depicted below in the green-hashed area
- Additional depictions based on aircraft type are on page 2
  - o Yellow/Black dashed line Indicates Object Free Area (OFA); wingtips must remain clear, West of the line.
- Aircraft must remain clear of active taxi and roadways
- Daily fees apply
- Operator responsible for safety precautions and aircraft access (i.e. cones, FOD walks)
  - o Operator must remove and stow any safety and access equipment when not in use (chocks, cones, stairs)
