

Operations Memorandum

To: CVG Airlines and Tenants

From: Brian Cobb, VP - Customer Experience

Subject: Concourse A Bag Make-Up Construction

Date: April 17, 2017

Effective **Wednesday, April 19:**

CONCOURSE A BAG MAKE-UP (BMU) CONSTRUCTION

CVG's contractor will begin mobilizing equipment in and around the Concourse A BMU. The contractor will be removing older, unused induction lines, capping the same area, and installing a new carousel. This effort is to support additional bag handling capacity off of Concourse A. This work is anticipated to extend into mid-June.

The work zone will be barricaded accordingly. No unauthorized personnel are permitted within the work safety zone during the duration of construction. Baggage tug drivers are reminded to exercise caution and be mindful of speed limits in and around the BMU due to pedestrian traffic and worker activity.
