

Cincinnati/Northern Kentucky International Airport

Operations Memorandum

To: CVG Airport Airlines, Tenants and Concessionaires

From: Brian Cobb, Director - Customer Services

Subject: Taxilane Closure

Date: August 30, 2013

The ramp 2 north taxilane from call block E7N approximately 925 feet east will be closed for maintenance beginning Wednesday, September 4, 2013 at 0800 hours local until Monday, September 9, 2013 at 1500 hours local. The area under construction will be barricaded for safety. During this closure we request aircraft be taxied in/out via the ramp 2 south taxilane utilizing call block E7S. Below is a map depicting the area of closure.

If you encounter any issues, please contact the Airport Communications Center (ACC) at 767-7777.
