Subject: Guard Gate NE3 Repairs

Date: April 8, 2014

KCAB will be repairing cables at Gate NE-3 on Wednesday, April 9. Work should begin at 3:30 pm and is expected to take last a few hours in duration. During this time, Gate NE-3 will be unavailable for use. Anyone needing to access the AOA at that area should still come into the SIDA at Gate NE-4 then turn left to go to Gate NE-1 (behind FedEx). The guard and all access functions will take place there. Users may find it more convenient, for this short time, to re-route their traffic to Gate NE-19 and NE-20. Please use caution and maintain low driving speed when traveling behind the cargo facility.
