

Operations Memorandum

To: Airline and Tenant Ramp Personnel

From: Brian Cobb, VP - Customer Services

Subject: Traffic Detour Related to South Airfield Projects

Date: June 16, 2015

There are five significant construction projects occurring around South Airfield Road impacting tenants and vehicle traffic in that area (e.g. South ARFF, FAA Tower, DHL, etc.). Roadway detours will be in effect for extended periods. Also be alert for construction workers and equipment entering/exiting the associated work zones.

South Airfield Projects

Projects Overview & Traffic Impact Diagram

IF IMMEDIATE CONCERNS CONTACT THE ACC (AIRPORT COMMUNICATION CENTER) 859 767-3123

Paving the way for growth – Remember to plan ahead

What: CVG and its partners have or will begin several construction projects in the South Airfield Area starting in Jun 2015. These projects will impact vehicle traffic traveling to/from the South Airfield.

DHL North Apron Project

KCAB Contact: Mike Sherman (859) 767-3051

DHL is starting the site work to build a new 50 acre aircraft parking ramp north of Taxiway N. As part of the project Wendell Ford Blvd. will be closed from South Airfield Road to the Taxiway November Bridge for utility relocations for approximately 45 days (June – July). Vehicle traffic going to DHL will be routed along the East Service Road. Vehicle traffic to other facilities will utilize South Airfield Road. (see diagram)

South Airfield Tunnel Project

KCAB Contact: Jay Gala (859) 767-3222

This project will close the South Airfield Tunnel for rehabilitation and repairs. The project will start upon completion of the DHL utility relocation project on Wendell Ford Blvd. Estimated closure period is Jul - Oct 2015. All vehicle traffic will be routed along the East Service Road. (see diagram)

Dermody Development Project

KCAB Contact: Cassie Krautsack (859) 767-3164

CVG has leased property to Dermody to construct warehouse facilities. As part of the project roadway improvements are proposed along Donaldson Road that may impact traffic. The schedule for this project has not been finalized. (see diagram)

FBO Parking Lot Expansion/Ultimate Relocation

KCAB Contact: Cassie Krautsack (859) 767-3164

As part of the T1/T2 demolition project, Ultimate Air Shuttle's operation will move to the FBO (Delta Jet Center). The parking lot is being expanded now. The anticipated move will take place in the Oct 2015 time frame. (see diagram)

KCAB Admin. Offices/ID Dept. Relocation

KCAB Contact: Cassie Krautsack (859) 767-3164

As part of the T1/T2 demolition project, KCAB's Administrative offices and the KCAB ID Department will be relocated to the vacant Comair HQ on 77 Comair Blvd. The work for this project is well underway with the anticipated move to take place in the Sep 2015 time frame.
