

Cincinnati/Northern Kentucky International Airport

Operations Memorandum

To: CVG Airport Airlines, Tenants and Concessionaires

From: Brian Cobb, Director - Customer Services

Subject: Construction at A1

Date: December 2, 2013

The loading bridge at Concourse A, gate 1, will be removed on Tuesday, December 3rd. Caution should be used while driving on the ramp, as heavy equipment will be staged for use in the removal of the bridge. Roadways and paths will have additional barricades to indicate the work area. Remain clear of the gate A1 construction area as indicated in the figure below.
