

PBB Central System Transition Commences

Airport Operational Impact Notice

PROJECT	Location: Airfield/Airspace	Project Start Date: 11/1/2024 7:00am
	Sublocation: All 28 Concourse B PBBs	Project End Date: 12/27/2024 5:00pm
SCOPE	Work Order:	
	<p>UPDATE: There is a problem with the CVG house pipe system (leaks) preventing the new glycol system from being utilized. The secondary electric heat system is operating properly to heat the aircraft at Concourse B. From November 4 - late December. Heat will be provided on a limited basis by electric heat coils from the new PBB equipment. (The electric heat is a delayed, staged system) Expect calls for delayed heat for this is different than the normal system. It will be in effect for the next (40) or so days until the new system is operational.</p>
