Subject: Concourse B Expansion Joint Replacement Project Phase 1

Date: 10/28/2022

Beginning Monday, October 31st, 2022, construction to replace the expansion joints in Concourse B will take place. Communication will be sent out via an updated Operations Memorandum prior to the beginning of each new phase in Concourse B. Each phase will take approximately 2 weeks to be completed, working to replace 2/3 of each expansion joint during the first week, and then the remaining 1/3 of the joint during the second week. Barriers will be placed around work happening at each location. The working hours for this project will be Mondays through Wednesdays from 7:00 AM to 7:00 PM, and Thursdays 7:00 AM to 3:00 PM.

Phase 1 includes expansion joints CB2, CB6, and CB7. Phase 1A will occur on the south side of Concourse B, and will be near Gates B9, B17, and B19. Phase 1B will occur on the north side of Concourse B and will be near Gates B10, B16, and B18.

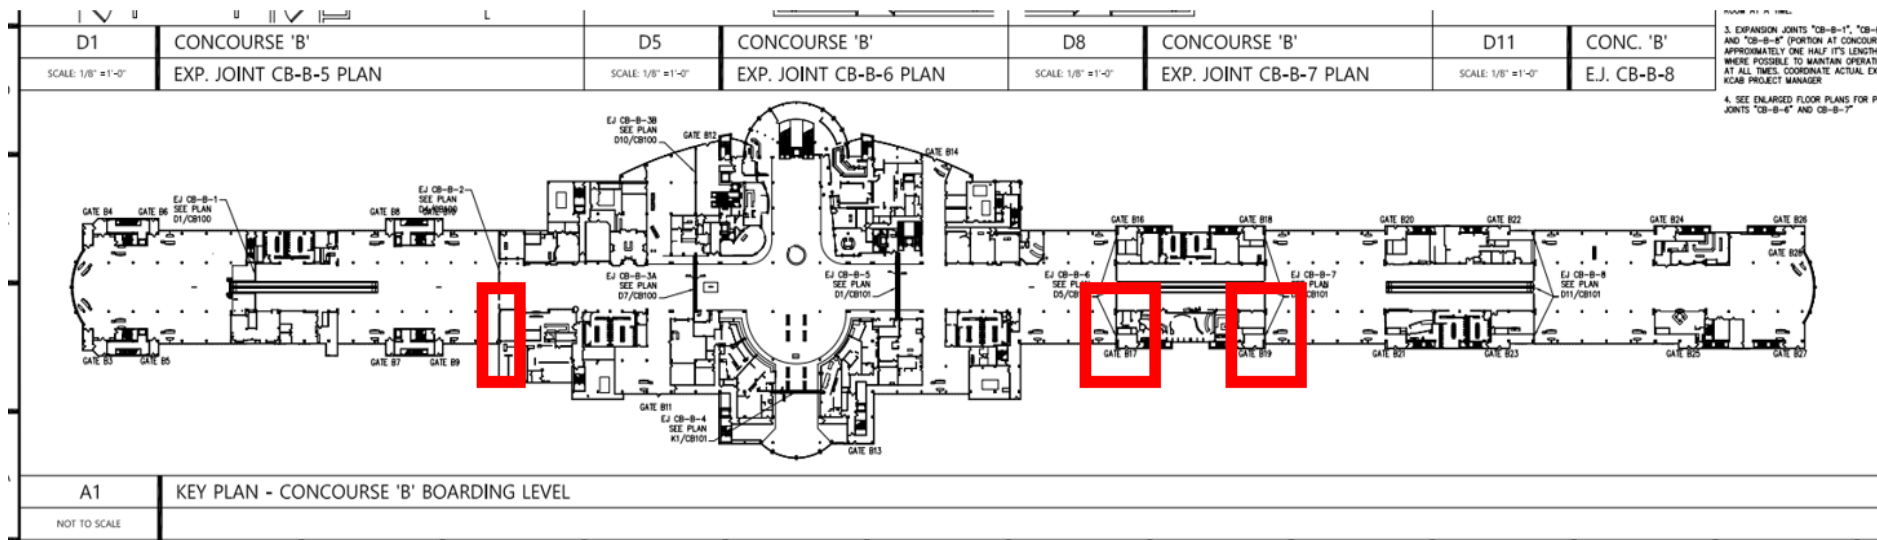

Gates affected by each phase will be communicated and coordinated with airline carriers.

Please see diagrams on the following pages showing the location of Phase 1A (Week 1) and Phase 1B (Week 2) in Concourse B.

Should you have any questions regarding the work, please contact JW Lucas at jlucas@cvgairport.com or 859-743-5861

Thank you for your cooperation.
