# Welcome to CSINFO

Terminal Events Calendar The Terminal Events Calendar provides an overview of ongoing activities and impacts around airport campus, landside, and airside. This includes meetings, closures, and high traffic days because of the holidays.

Event Notifications Event Notifications is a list of all ongoing construction events that will affect the daily operation of the airport. These are listed by start/end date.

Aircraft Parking
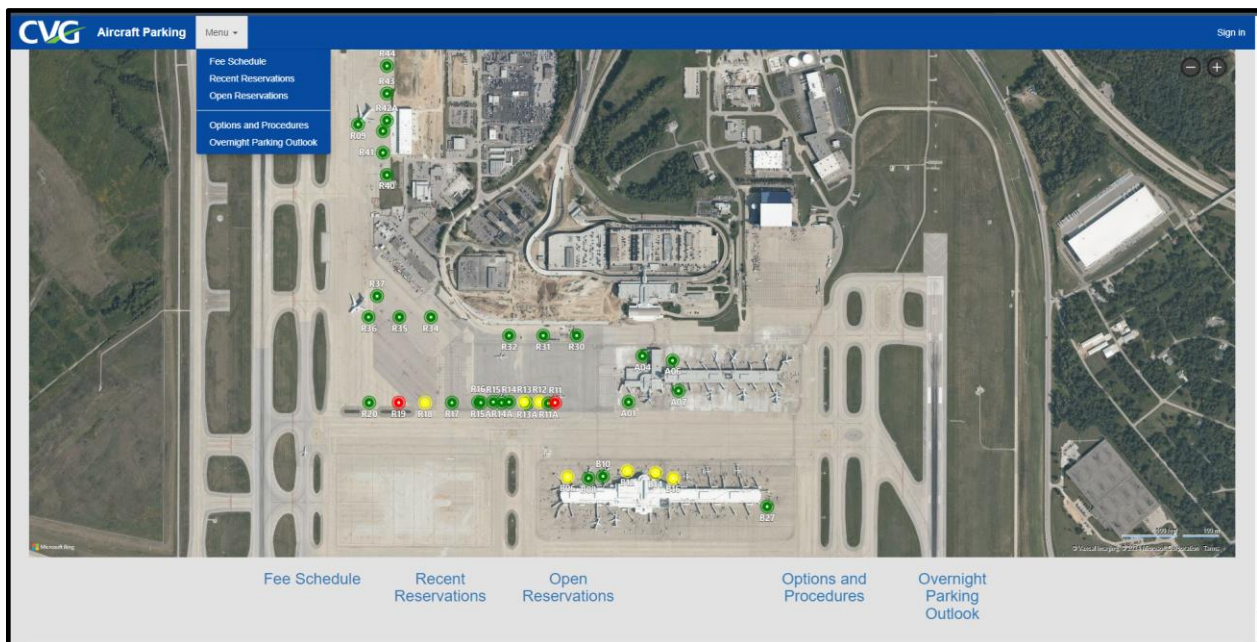

The Aircraft Parking Page is available for gate vacancies and reservations made through Operations. The Remote Fee schedule is also available on this menu.
