

# Operations Memorandum

**To:** CVG Airlines and Tenants  
**From:** Brian Cobb, VP - Customer Experience  
**Subject:** Concrete Batch Plant Activity  
**Date:** July 21, 2017

Effective **Immediately:**

## **BATCH PLANT ACTIVITY AND TRUCK FLOW**

CVG's contractor will be completing work on a concrete batch plant assembly on the former DHL site located on the northwest portion of the service area (see depictions). Work is to support the Concourse C demolition project and subsequent concrete infill. Signage will be installed in the applicable areas to indicate traffic flows.

Staff operating in and around this area must remain vigilant for personnel and equipment movement to/from the work sites. Work will be ongoing for the next several months through project completion. Periodic updates will be shared as necessary.
