Subject: Concourse A Smoking Area Fence Update

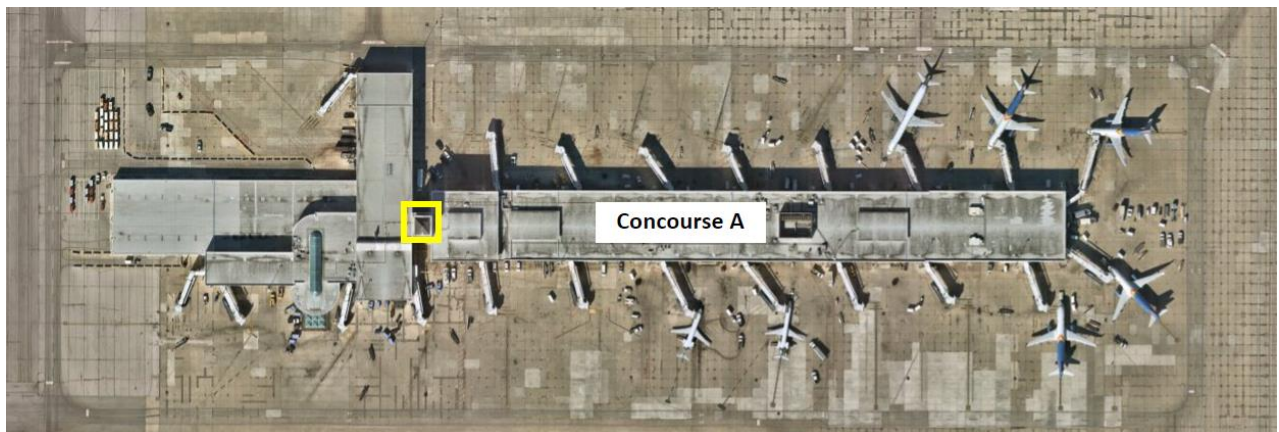

Date: 8/22/2023

Effective August 22, 2023

The employee smoking area at Concourse A near Gate A6 will have fence work beginning 8/22/2023 starting at 11:00 PM. This will shrink the smoking area “in half” to allow for movement in the tunnel between the north & south sides of Concourse A. Once the work is complete, ground handlers and other personnel with appropriate access will have the ability to move items through this tunnel area.

The work on the fence will take place primarily during overnight hours, and is scheduled to be completed by 8/25/2023 at 12:00 PM. The smoking area will be usable when there is work going on in the space.

See images below of area removed:

Smoking area as seen from
the north side of Concourse A
