Subject: Airfield Closure, Trench Drain Repair
Date: 09/21/2023

Effective September 22nd, 2023

On **Friday, September 22nd, 2023, from 8:00AM – 12:00PM**, an airfield closure will take place on Ramp 2 North between Taxi Lane Hotel and Gate A1. This closure area includes Gate A1 and the West Vehicle Service Road.

This airfield closure will impact all vehicular traffic between Concourse A and Concourse B, as the work area will be surrounded by barricades. As a reminder, all pedestrians and vehicle traffic are to stay outside of the barricade during this closure.

Please see the work area and trench drain location [red box] below:

This closure is scheduled to end on September 22nd, 2023, at 12:00PM.
