**Date:** April 6, 2016

With the progress of the DHL North Apron Expansion Project, oversized equipment will be delivered to the project site on Thursday, April 7. This delivery will require intermittent disruption to traffic flow on South Airfield Road. Traffic stops will occur at the intersection of South Airfield Road and South Perimeter Road 4 times throughout the day, beginning at approximately 7:45 a.m. These impacts will be minimal and less than 5 minutes in duration. We apologize for the inconvenience and will work to ensure impacts are held to a minimum. Please see attached maps and pictures.

Thank you for your patience and support as we continue our Airport community improvements.
