

Cincinnati/Northern Kentucky International Airport

Operations Memorandum

To: CVG Airport Airlines, Tenants and Concessionaires

From: Brian Cobb, Director - Customer Services

Subject: Ultimate Air Shuttle Operations

Date: September 4, 2013

Beginning Monday, September 9, 2013 Ultimate Air Shuttle will be conducting operations from the Apron area near the Admin Building (formerly Terminal 1). Please review the following diagrams depicting the areas of operations.

All personnel operating vehicles in this area should be aware of new aircraft operations and yield to all aircraft. Vehicles must remain on the service road unless there is an operational necessity to travel outside of the roadway. NOTE: Parking will no longer be allowed in the blue shaded area shown below.
