Subject: Airfield Pavement Rehabilitation Project
Date: 06/13/2024

Effective June 17th, 2024

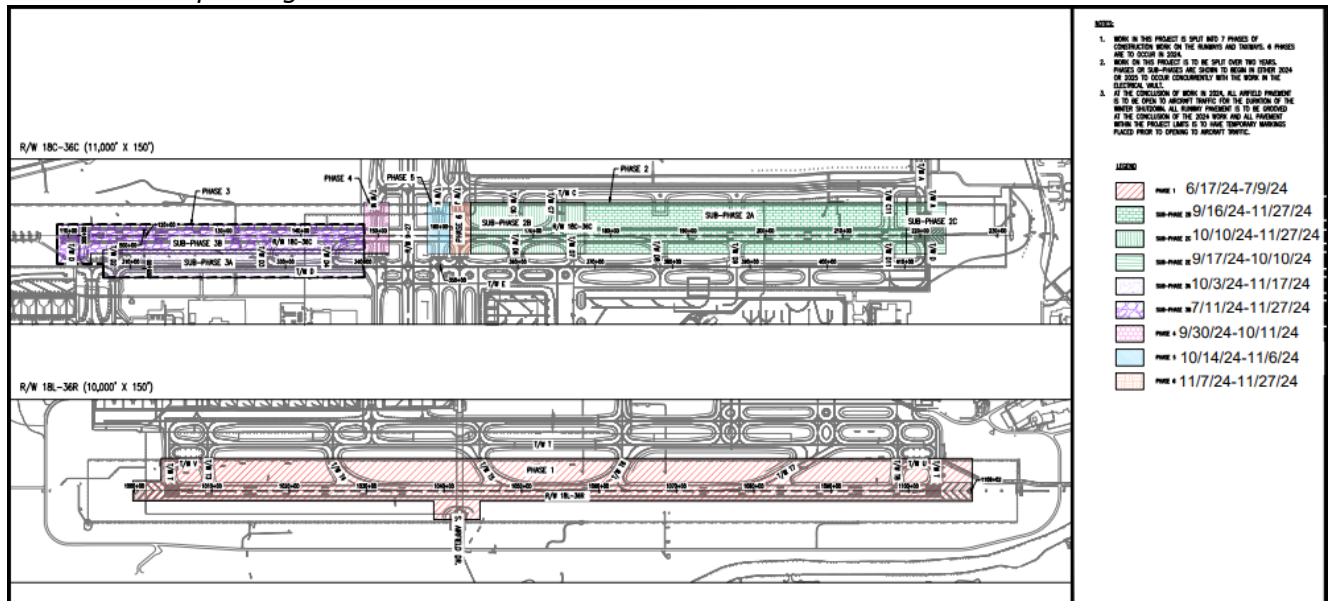

Beginning Monday, June 17th, 2024, the Airfield Pavement Rehabilitation Project will begin, impacting runway and taxiway operations. The scope of this work has been scheduled into 7 different phases. Please review the following information below.

IMPORTANT CLOSURE DATES:

- Runway 18L – 36R will be closed for Phase One [1] ONLY.
- Runway 18C – 36C will be closed for ALL REMAINING PHASES [Phase 2 – Phase 7].

The Airfield Pavement Rehabilitation Project will conclude for the 2024 construction season on November 27th, 2024. During the 2025 construction season additional closures will take place as depicted in the table below.

Please see the phasing illustration and schedule below:

The work area will be surrounded by interlocking, low-profile barricades. ARFF routes will be provided with gaps in the barricade. Pedestrians and vehicle traffic are to stay outside of the barricade during the closure.
